IMPORTANT NOTICE

To: Wallowa County Grain Grower True Value Customers

I would like to inform all of our customers, that due to a labor shortage with-in the True Value Store, we have decided to close the store for business on Sundays until further notice.

This is a necessary step to help keep our current employees from burning out. Short staff and more days worked for each of them has been the trend for a long period. This will go into effect on Sunday August 21st 2022. We apologize for this inconvenience and hope that the labor pool will get better in the future.

Thank you for your understanding.
